My cherry-popping party night

Last year I finally moved away from my sleepy backwater town, and where else would a girl itching for lots of sex go than to the big bad capital, London.

Even so, having no idea how to go about getting myself invited to swinger parties, it was at least six months before I got my bearings. I met a couple who told me they were swingers and that they were having a party the very next weekend if I wanted to come along. Damn right I did!

Walking up their garden path, I was a mixture of feelings. On the one hand I was horny as hell, my mind playing in graphic details every fantasy I'd ever had about orgies, while on the other I was scared stiff!

For the first hour, it was just like any other house party I had ever been to – quite boring really, just a lot of mingling and small talk. But things changed the more the drinks began to flow.

It started with this big guy on the sofa and his small girlfriend indulging in some face sucking. Everyone was glancing their way, watching, I realised later, for them to make the first real move.

The guy began to grope the girl's small breasts, eventually unbuttoning her blouse to reveal a half cup bra, her rock solid nipples poking out from above the lave material.

It was like a watershed moment, as they were joined on the sofa by another couple, who sat either side of them, the guy helping himself to a piece of the topless girl's boobs while his girlfriend in turn began to undo the big guy's trousers, fishing out an impressive looking erection.

Looking around me, it appeared that everyone had taken it as their cue to undress, and soon the room was full of naked people, licking, kissing, sucking and fucking each other.

Then Mike, the man whose party it was, appeared beside me, starkers.

"Are you okay there, Jennie?" he asked. "I guess you're wondering how to begin. Come with me, I'll introduce you to a few people, see who you like the look of, yeah?"

My pussy was grateful – it was drenched with juices from being exposed to so much sex in such a confined space.

Taking me into the back room, where just like before, everyone was starkers and in the middle of a big sex party, he told me I should get undressed if I wanted to and come and join the fun, sitting down on the floor and rubbing his hands over a woman's thighs who was lying on her back, getting eaten out by this slip of a girl.

I stripped as he watched me, feeling ever so sexy as I watched his dick begin to thicken.

"Come and sit beside me," he said and I did. "Isn't she sexy?" he asked, nodding toward the woman getting head. But I wasn't interested in watching any more. I reached out for his dick and said, "This is what I'm interested in."

He knew it was my first time at an orgy, but I think he must have realised that the time for watching was over and that I needed a good hard fuck to get me nice and relaxed if I was going to stay the course.

"Well, I can never refuse a beautiful woman," he said and kissed me hard on the

owner began to fuck my mouth, sliding himself in and out slowly.

It was the most erotic thing I had ever done in my life up to then – everywhere I looked people were fucking. Mike was screwing me with such aplomb that when I came I felt no shame it letting the whole room know it.

Soon, the dick in my face was gushing spunk on to my chin and others around me were groaning their way through their own orgasms.

Now I hold my own sex parties, but I have to thank Mike and his girlfriend for introducing me to so many like-minded people, and for helping me to pop my own swinger cherry. Thanks guys and hope you read this letter!

beside the other woman and eating my pussy out like a man possessed of an unquenchable thirst.

I had to stop him and tell him that I needed a big dick up my twat before he made me cum. I rolled over and told him to fuck me from behind.

He pushed his fat cock up me and I looked down at the woman beside me.

The right thing to do was kiss her, I thought, but before I could do that, a thin cock with a slight bend in it appeared before my face.

I took it into my mouth and was slightly shocked when its

Rough handling, toothy blow jobs and constant chafing from a desk job – our cocks need a holiday. And where better to send them than the warm surround of Wendy's oily orbs? Our little friends could happily spend all day in that sumptuous tit valley, pumping reams of hot sticky spunk on to the cum-loving Rochester barmaid's collar bone or extended tongue. Bon voyage!

READERS' WIVES

We love getting pictures both on disc and as prints. Digital images should be sent as jpeg files and we like the images to be saved as large as possible (ideally at a resolution of 300dpi). Images that are too small will be returned. The more poses the better, and we hope you have as much fun taking them as we do looking at them! Pictures must be accompanied by a completed readers' wives form (see opposite) and accompanied by 2 forms of ID, at least one of which must be a passport or driver's licence.

Kinky couple pay lap service

I want to share the most amazing red-hot experience I've ever had.

It was a Saturday night out in Cambridge and my husband was taking me to a new lap-dancing club.

It was the first time I had ever been to one of these and my sense of anticipation was incredibly intense.

As I walked up the stairs to the bar I was greeted by a gorgeous woman wearing the sexiest red underwear set.

We looked at each other for ages – the chemistry was unbelievable – before my hubby got drinks and led me to a smart table.

The woman soon came over, introduced herself as Andi and offered to dance for us both. I could feel my pussy getting damp with lust as she took me by the hand and led us to an intimate booth.

She sat me down on a flaming red couch and spread my legs. My husband was with me but she was only dancing for me. I felt her pressing her body up against mine and kissing my pussy through my sheer thong.

She slipped out of her bra to reveal two perfectly round tits and then showed off her delicate hairless pussy.

"I licked each of the juicy cocks thrust into my willing face"

She ran a finger over her clit and into herself then offered me her finger to taste.

I looked across at my husband who had a massive bulge in his pants and a grin on his face.

He went to get another drink and Andi said in my ear, "I want you to go through the stage door next to the toilets in ten minutes."

I told my husband I was going to do it and he gave me his blessing. I walked through the door and she grabbed me as soon as I came in. She pulled me into a corner and started kissing me passionately, her hands running through my hair.

She strummed my clit with her fingers and sucked on my nipples. I felt three thrusting fingers in my cunt deep and hard until I came all over them. She slowly pulled them out and licked them clean. "My, my, you taste as good as you look," she said.

I made my way back to my patient husband and as I told him what happened his lust was rising.

He dragged me out to the car park, lifted me on to a car bonnet and hitched up my skirt. I tugged at his belt, reached in and grabbed his thick cock and pulled it into my slick hole.

He fucked me hard, getting faster and deeper. I was bursting with orgasm after orgasm. He was close to exploding and pulled out so I dropped to my knees and took his shaft in my mouth.

He exploded with a burst of hot cum. I swallowed it all and sucked on the head to get every last drop of fluid.

We sorted ourselves out and

made our way to the next club across the car park.

Two of my husband's mates were near the bar and we went to say hi. I was still randy as fuck and was thinking about how buff Mike's chest was. We were excitedly telling them about my adventure when someone knocked me onto Mike and I could feel his cock had been getting hard listening to me.

"My eyes opened wide with lust for three horny fellas working my body"

I commented on how appetising it felt and his mate Andrew said there is more here too, and put my hand on his hard crotch.

My husband leaned in and said to me with a grin, "Shall we all fuck?"

My eyes opened wide with lust for three horny fellas working my body.

He asked them if they were both up for it and when we left in a cab I started to lick each of the juicy thick cocks thrust into my willing face in turn.

When we got back to Mike's flat we burst through the front door removing our clothes.

I jumped on to the settee and Andrew slipped in under me, inserting his cock in my pussy. I started to ride him as Mike and my husband presented their cocks to my mouth.

I took them in both in the corners of my mouth as I rode Andrew's big fat tool.

We swapped ends so many times so I was always topped-to-tailed.

Mike and Andrew were doing my arse and pussy at the same time, orgasms firing through me at an uncontrollable rate.

My legs were shaking and my breathing deep and fast as all three pulled out and exploded all over my face and chest, covering me with delicious cum.

I mopped most of it into my mouth, savouring the taste and then chilled out to arrange another session in the near future, hot rivers of spunk slowly cooling on my heaving chest and quivering thighs.

I sat there with my eyes closed, thinking about my sexy dancer and three studs, replaying the most sexually exciting 24 hours of my life!

I replay it in my head again and again when I'm left to my own devices!

Harriet, Cambridge

With a fine pair of ladybumps and a filthy mind that knows how to put them to good use, Jennifer reminisces about her last fuck. "I like one guy over my face so I can tongue his arse while he fucks my tits, with another cock in my pussy. Then they both spunked copiously in my tit valley from either end!"

AMOUR HOLLYWOOD HOUSEWIFE KIT

Has the wife let the house go to shit? Is she claiming to be "too tired" after Crimbo to get the Dyson out? Well, this ought to encourage the lazy bint and get you a little something too. Accompanied by a stretch-to-fit G-string with feather accents, an eye mask adorned with feathers and a matching fluffy feather boa, it's not a bad price. The Hollywood Housewife may not transform your Mrs into Sharon Stone, but it might stop Kim and Aggie banging down your front door. Plus you'll get an extra-good view as she tackles those dusty skirting boards.

Available from www.sextoys.co.uk for £23.95

GLASS VIBRATIONS DRAGON DILDO

I'd find it hard to believe any woman would not be thrilled to receive this super-pretty prick stand-in. Not only is it beautiful to look at – it feels divine as well. The glass nodules have been designed by someone who knows what they are doing, as they hit the spot, every time. The loop at the top forms a perfect grip, allowing you to control it deftly to suit your pleasures. I was given the tip to run it under warm water (or you can cool it the same way with cold water) for extra va-va-voom which made it even more glorious to use. It doesn't vibrate, but to be honest, it's designed so well it does not need to.

Available from www.sextoys.co.uk for a very reasonable £26.95

SEX ON THE GO DESENSITIZING ANAL WIPES

Pack of three wipes that ensure your bum is nice and clean and ready for entry. Singly wrapped and fragrance-free (mind you that may not always be a good thing when it comes to arse matters) and for those with a sensitive crack, they are PH-balanced for your comfort. If only the cock that's about to shoot up there was too! For those who like a bit of a bumming these are as essential as a condom.

Get yours from www.sextoys.co.uk for £2.96

LOVE TO LOVE GIRLS DON'T CRY SENSUAL AFTER SPANKING CREAM 50ML

The only reason I wept after my last spank session was the realisation I've spent the last ten years being spanked without this cream. What took you so long, folks? Perfect for when your bum is a bit too raw post-spank. Feels really smooth and soothing when you smother your glowing cheeks.

It really does sort you out good and proper. Anyone who enjoys a bit of a bum going over will automatically add this to your essentials list and wonder how you used to sit down the next day without it.

Available from www.lovehoney.co.uk for £14.99

The dirtiest cleaner in Britain

You find good sex when you least expect it, in my experience.

I've been swinging for years and in my line of work, cleaning, you don't expect to get laid a lot – I've been cleaning people's houses for ten years and haven't once had a sniff of cock, until last month.

A new couple moved into our village recently and I got the job because everyone knows me round here so I was the one they recommended.

They had a big house just outside the village, rich commuters who were never there during the day, I'd probably seen them twice in the five months I'd been working for them.

But one Monday morning I'd been cleaning their house downstairs. There were loads of white towels all over the place – in the kitchen, the loving room, the dining room, out in the conservatory and all over the stairs. Everywhere I looked there was a white towel.

should I stand there and watch in the hope that they might invite me in or should I get out of there in case I lost my job? But it was decided for me when the guy opened his eyes and smiled at me.

He tapped the woman on the shoulder and nodded towards me and she took his cock calmly out of her mouth and asked me if I wanted to join them.

If I hadn't known that this house had been full of swingers only hours earlier I probably would

"I plunged my tongue deep inside, pulling apart her bum cheeks"

To the untrained eye this would have meant nothing – but not to a swinger's eye!

I was getting horny just thinking about the night before and the orgy this place must have seen, so when I went upstairs to clean the bedrooms and found a couple in the first room I went in to I was ready for anything.

The man was sitting up in bed, naked, and the woman was on all fours in front of him sucking greedily on his cock!

I was caught in two minds, have said no, but I was horny as fuck so in I went!

I stripped quickly because they looked like they had already been at it for a while, and knelt behind the woman.

Her pussy was shaven and wide open. Her juices looked tasty so I had a lick. I liked how she tasted so plunged my tongue deep inside, pulling her bum cheeks open to give me more room.

I could hear her moaning on the guy's dick, she liked what I was doing to her and so did I.

visit www.paulraymond.com

"I'd had my fill of pussy – now it was time to try out his cock for flavour"

After I'd had my fill of her pussy it was time to try out his cock for flavour.

I kissed her as she wanked him off just inches from our faces and then she offered me his seven inches to suck on.

She guided his rod into my mouth, pushing it into my cheek as I grabbed his balls and heard the sharp intake of his breath. Then we frenchied around his glans, she and I toying with him.

"Come on, fuck her," she murmured to him and I lay back on the bed as he climbed in between my thighs and she pushed his dick into my juicy pussy.

Then she climbed onto my face and ground her cunt into my mouth as he pumped my pussy slow. When he started to fuck me harder she reached down and toyed with my clit as I shoved my tongue right up her snatch.

And when she bent forward and began to lick and suck on my engorged button his thrusts began to come faster.

They made me cum so hard I cried out but my moans were muffled by her pussy.

It all happened so fast and frantic and even weirder I just got up and got dressed as they carried on fucking in front of me – they didn't stop the entire time I was up there, still humping when I shut the front door behind me…

TRUE CON

SOME TENANTS GET FUCKED UP THE ARSE. ADAM'S LANDLADY PREFERS TO TAKE IT...

When I first met my new landlady, fantasies of fucking her were already beginning to form in my head! I mentally gave myself a cold shower, gathered myself and said hi.

She introduced herself as Isabella and close up she looked perfect to me. Her body looked firm and pert with small but rounded breasts pushing against her blouse.

I was finding it hard to keep my eyes on the flat as she opened kitchen cupboards and listed the appliances included. As I followed her around, nodding and humming in the right places, she explained that it was her parents' flat but they had returned to live in Greece. As she lived and worked in the city, her parents had left her in charge of the letting and upkeep of the flat.

I found out, subtly of course, that she was single, so I plucked up the courage and asked, "Well, if you have a night off sometime, maybe I could take you out for a drink and you could show me around the area?" Isabella smiled and replied that she'd love to. I was chuffed (and a little amazed) that this beauty had agreed to go out with me, and even more so when she suggested we go for a 'moving-in drink', when we were done at the property.

Suddenly changing the subject from our 'date', she showed me into the bathroom. It was huge, with one of those big, round jacuzzi baths. "These are fantastic!" Isabella said, motioning to it. "They are so relaxing. The jets massage your body all over!" I smiled and nodded at her, but all I could think about was how I'd love to massage her gorgeous body. She surprised me then, as she took off her jacket, revealing her slim, firm body, removed her shoes, hitched up her skirt, climbed into the bath and sat down. "It's big enough for two as well. Get in and see, Adam!"

Feeling a bit silly, I tentatively took my shoes off and clambered into the tub. Immediately glad I had, I was greeted by the sight of her lace stocking tops and white panties. I felt the familiar stirrings in my trousers, and wasn't surprised for a raging hard-on to follow. Unfortunately, being sat in a bathtub made the boner all too obvious and I tried to cover the embarrassing bulge. She noticed my discomfort and grabbed my hand, saying that it was OK, that she found it quite the compliment. She suddenly leant forward, placed her hand over my cock and pushed her tongue between my teeth.

I was gobsmacked, but not so much that I was going to miss an opportunity like this! I kissed her back passionately, grabbing at her boobs as she rubbed my dick on the outside of my trousers. The next few minutes were a bit of a blurred frenzy as we snogged away, ripping at each other's clothes and it wasn't long before I had those perfectly rounded tits in my hands and I was rolling her little nipples into bullets.

We were already half undressed, but Isabella was soon pulling at my belt and my flies, struggling to free my rock hard prick. It wasn't long before she was lowering those soft lips over my pole, and as she wanked me with those nimble fingers, I thought I'd died and gone to heaven. She pushed her hair back and looked up at me as she expertly massaged my stiff cock, her long tongue snaking out to lick my tip and shaft. I was in paradise and wanted this to last forever, but I could feel my sap rising so I pulled her up and suggested finding somewhere more comfortable.

She led me to the bedroom and I sat

FESSIONS

on the end of the bed. She sat astride me now, her skirt abandoned and her beautiful stockinged thighs clearly in view. She kissed me again and slowly lowered herself, the moist crotch of her knickers rubbing against my straining bell-end. She moved teasingly and I was desperate to get inside her, but not before I enjoyed those breasts and their pointed nipples. I sucked on them for all I was worth, nibbling gently, making her moan aloud and push down on my cock even harder.

Finally, she pulled her pants to one side and guided me to her soaked entrance. I could feel her tight warmth as my length slipped deep into her cunt. We fucked hard, both groaning loudly as she used her pussy muscles to massage my manhood, teasing the cum from my balls. It wasn't long before I felt Isabella's whole body shudder and shake as she reached her first orgasm, squeezing her fanny muscles tightly and gushing hot cum juice over my cock. It was impossible to hold back any longer and I let out a long moan as I shot my load deep inside her.

I was still rock hard and wanted more so I flipped her onto all fours to fuck her doggy style. I positioned myself at her cum-drenched pussy and began to push myself in again. I was surprised when Isabella pulled away and panted, "No! Please fuck my arse!" She reached back between her legs and guided my tool to her beautiful starfish, telling me to go slowly and to take my time. I don't mind admitting that I was still an arse-virgin and a little nervous. I took her advice and slowly pushed against her tight butt-hole. She dropped her head and relaxed her muscles, allowing my bell-end to slowly stretch her ring as I entered her. It felt so tight as she pushed her arse back onto me that I thought I'd cum on the spot!

"Yes, give it all to me," Isabella shouted. Who was I to disappoint her? She was well lubed up due to her orgasm juices and I found that I could build up a rhythm as I now started diving deeper and deeper into her. I pushed her lovely little arse cheeks apart to try and get even deeper as she howled with pleasure. She reached between her legs and massaged my balls before playing with her clit. That was too much for me and I exploded deep inside her tight box.

I was about to pull out when she again reached back and grabbed my balls. "Please stay inside me until you're ready again. I need more!" she pleaded. I was like a teenager on heat and the tightness around my length and the fact that she used her ring muscles to wank me, soon had me hard again.

This time she lay me on the bed and turned her back to me, hovering above me before sinking her puckered hole down over me. She leant back over me, her hands supporting herself on my chest.

I pumped her arse as she bounced on top of me until she was screaming, as yet another orgasm hit her and she collapsed on top of me. Needless to say, I took the tenancy. She collects weekly!

JEREMY & VICKI
LUCKY FUCKER!

about it often, I never actually believed I would ever go through with it. Jez, however, had other ideas. Last month I celebrated my 30th birthday, something I had been dreading. All day long my husband teased me that he had an extra special present, but I'd have to wait until the evening to find out what it was. After work he told me to get myself dressed up nicely and announced he was treating me to a meal at this really posh restaurant in town. I assumed this was my present because I'd wanted to eat there so many times before, but thought it was a bit extravagant without an occasion to celebrate. When we arrived the waiter showed us to our table, but I thought he'd made some kind of mistake when we found a woman already seated. But Jez didn't flicker and introduced her as Faith. The olive skinned beauty stood up, kissed me lightly on the cheek and, realising I didn't have a clue who

One of the strengths of my marriage to Jeremy is that we have a fantastic sex life. In previous relationships, I'd always found things got stale after the initial excitement had worn off. But even after being married for five years, Jez is still up for anything and it's easy to tell him if I want to try something a little bit different in the bedroom. When we first met he asked me to describe my ultimate fantasy and I didn't hesitate with my answer. Ever since I can remember, I've always been really turned on by the idea of sleeping with another woman and I didn't feel at all embarrassed when he begged me to describe every single detail of my fantasy. I felt so wonderfully dirty telling him what I would do to my female lover and he got so horny that he ended up screwing my brains out! In fact, Jez liked the idea so much that he asked me to repeat my story time and time again, each time resulting in him fucking the arse off me. I really got off on it, not just because I was guaranteed a great shag at the end of it, but also because the thought of going down on a girl made my pussy ache with excitement.

Despite talking

she was, whispered in my ear, "I'm from the agency; I'm your birthday present." Suddenly the whole thing made sense, my heart began racing and I felt way out of my depth.

If Jez realised how much I was panicking, he didn't let on and continued chatting away to our beautiful companion. At first I couldn't look Faith in the eye and felt so conspicuous, imagining everybody in the room knew we'd paid to have a date with another woman. But the escort was a real professional and knew exactly what to say to make me relax. Gradually, with the help of a few glasses of wine, I began to loosen up and a new, wicked sluttish feeling washed over me as I got my head around what we were doing.

By the time the dessert arrived, I was comfortable with Faith and after studying her gorgeous face and curvy body, couldn't help thinking if I was to live out this fantasy with anyone I'd choose her. She must have sensed my loss of inhibitions and leaned over the table, giving me an eyeful of her cleavage, and took hold of my hand. "Happy birthday Vicky, I hope later we can celebrate properly," she said in her velvety voice. Her other hand stroked my thigh under the table and smiling suggestively, she stared into my eyes.

My body tingled all over with excitement throughout that meal, and my husband's approving look seemed to make my fanny juice up all the more. Needless to say we skipped coffee and took a taxi home. Faith and I shared the back seat as my husband sat opposite, watching our every move with great interest. Just before the cab pulled up, Faith asked if she could kiss me. The words sounded so erotic coming from another woman's mouth and when she leaned closer I thought I would pass out with sheer anticipation. Slowly, she traced the shape of my mouth with her tongue – then prised open my lips and slipped her tongue inside. The soft sensation of her skin against mine was amazingly arousing and I gasped for breath, as our French kiss became increasingly passionate. When the car stopped, we both glanced at Jez, who was by then steaming hot with lust. He bent over to pay the cab driver and I spotted Faith eyeing up his bulging trousers. I couldn't wait for the three of us to get inside and, as I fumbled to get my key in lock, I realised my knickers were soaking wet.

"He begged me to describe my fantasy in great detail"

Once the door was closed, I led Faith to our bedroom, with Jez following close behind. She immediately sat on the end of our bed, opening her legs to flash her white knickers that had become transparent with her pussy juice. She looked like such a slut, showing off her cunt to a couple of total strangers – and it drove me wild. "Go on honey, eat her out," urged Jez, who was now stroking his throbbing cock through his pants. It was just the way I'd always imagined; I wasn't nervous at all and was absolutely desperate to get my tongue inside her snatch. Faith helped me to strip off her clothes before undressing myself swiftly. The sight of his wife getting naked with another woman obviously drove Jez to distraction, and he

him groan loudly before shooting a wad of spunk over my bare buttocks.

When I eventually surfaced from between Faith's legs, I could still smell the aroma

"My husband used her as a fuck toy while she licked my cunt out"

of her cunt and I realised how desperate I was to come. "Let me return the favour," said Faith, licking my mouth to taste her own juices. In my fantasy my lover didn't go down on me, but by this stage I was ready for

tore down his pants so he could give his prick a good wank. I pushed Faith onto her back and pushed open her legs. Immediately, my nostrils filled with the gorgeous musky scent from her fanny and I lowered my head towards her sex. I studied her neatly shaved mound, carefully opened her plump petals with my fingers. Her clit was already swollen with excitement and her pussy glistened with its sticky lubrication. I savoured the moment before my first taste of cunt, tantalising the three of us, then gently unleashed my tongue onto her labia. I knew exactly what I wanted to do her because I'd pictured it so many times before. I slowly lapped Faith's pussy lips then focused my attention on her pulsating little clit. My tongue flicked backwards and forwards over her stiff button and Faith squealed in delight. I eased my middle finger into her hole while continuing to suck on her clit and she writhed around in ecstasy, grinding her fanny against my face. I could tell she was about to come and bent my finger inside her snatch to hit her G-spot. I could hardly breath as she bucked her hips in ecstasy. "Oh fuck I'm coming, I'm coming," she whimpered. This made my own pussy twitch with excitement and it must have had the same effect on Jez, because I heard

anything. “Sit on my face Vicky,” she ordered. But before I did as she said, I had a wicked idea. “Jez, I want to watch you fuck Faith while I ride on her face,” I told my husband, who had recovered his erection. Unsurprisingly, he didn’t need telling twice and pulled Faith to the edge of the bed, so he could reach her cunt by kneeling on the floor. Squatting over her head, I lowered my pussy onto her tongue and watched in delight as my husband thrust his cock deep into her dripping snatch. It must have been difficult for her to concentrate while Jez fed her his meat, but Faith’s oral technique was mind-blowing.

It felt so dirty rubbing my fanny onto another girl’s face, while my husband also used her as a fuck toy. As her tongue nudged against my pulsating clit, she eased a finger into my tight little arsehole. This always drives me wild and I knew it would only be a matter of seconds before I came. My husband reached up and grabbed hold of my swinging tits, as he drove his prick into Faith’s fanny. The combination of watching him screw someone else and being eaten out by a sexy woman who had her finger up my bum, drove me over the edge. I shuddered as an enormous orgasm shook through my body and Jez squeezed my nipples hard, as he watched in delight. I rolled onto my back and lay there, panting with satisfaction, just in time to see my husband give Faith one final thrust before firing his last ration of cream deep into her cunt.

I have to say Faith was the best ever present. Now I’m looking forward to Jez’s birthday next month so I can treat him to his ultimate fantasy – watching me fuck two women! He’s definitely started something now!

Sultry Sophia (50) can tell you some stories. Like the time she had sex on a roof. "I had roofers in while my husband was at work. I ended up clinging to the chimney while getting boned by two of them while the young one watched. I'm still just as up for it. Don't be shy – just give me a try!"

True Con

One man's fantasy comes true – at the horny hands of two very lucky ladies

My boyfriend is an occasional cross-dresser, which has taken me a while to get used to. But since I met him my sexual sphere has widened and now I really enjoy what his perversion can do for me. We've been reading Razzle for years now, but you rarely tackle the subject of cross-dressing, so I thought I'd write in and confess to you about one of our dirty sessions!

Imagine the best of both worlds – a guy who is a great fuck, but who also likes to dress up like a girl and be fucked. Our sex life is varied and exciting; you get to play so many games, one of which I must share with your readers, as I'm sure it will turn them on as much as it turned me on.

Nick had been away with work for two weeks and I knew he would be ready for a long, horny weekend of fucking and frolicking when he got back. So, in preparation, I checked out local online ads for the right-sounding escort in central London, before finding 'the one' relatively quickly. The ad read: 'Rebecca. Experienced English beauty with a sexy voice and stunning looks, wants to be in your fantasies. Males, females and couples welcome'.

This was perfect; her photo looked stunning, she sounded open-minded and she even had the same name as me, so it must have been fate! I called her to explain what I had planned and she was eager to get involved. I even went to see her, just to check that she was as gorgeous as she sounded – the last thing I wanted was to hire her and for her to turn out to be a minger, or something! I wasn't disappointed, though – she was tall with long hair and green eyes, very, very sexy. My pussy was throbbing at the prospect of getting it on with her.

The night he was due, I waited by the door for him, dressed up in a tight dress and sexy heels. As soon as Nick arrived home, I wasted no time and made him shower and shave (all over) and get dressed up. His cock would not stay down as I dressed him in my bra, panties and suspenders. I pushed him onto the bed, blindfolded him and handcuffed his arms to the bedposts.

Before Rebecca arrived, I couldn't resist straddling my legs over Nick's face and forcing my pussy into his mouth. "Now look what you made me do!" I scolded him, "Clear it up!" I ordered, pulling my wet knickers aside. His tongue darted straight between my lips and up into my juicy cunt. I shuddered as I held back my orgasm, desperately waiting to share it with my sexy namesake.

The doorbell rang and poor Nick instantly panicked. "Don't worry," I reassured him, "I'll get rid of them." I let Rebecca in quietly and couldn't resist commenting on how great her breasts looked in her tight black basque, peeking out from beneath her long black coat.

We spent the next five hours teasing and torturing Nick, until he had wet patches of pre-cum all over his pretty knickers. His wildest fantasy of being dressed up like a girl and being dominated by two girls was finally coming true and he looked like a kid at Christmas!

We giggled as we each ran our fingertips over his skin, while asking him to guess

fessions!

"She wanked him while she screwed his arse"

which one of us was touching him. We touched each other up, which must have driven him crazy, not being able to see but hearing the two of us kissing and getting of on each other.

We finally took the blindfold off him and Rebecca and I performed some horny girlie action, teasing Nick. He looked like he was going to have an aneurysm, being able to see every detail of what we were doing to each other, but not being able to get involved. I couldn't leave him out for too long, as it would've been cruel, so we ended our light lesbo performance with us taking it in turns to suck his throbbing member. As I swallowed his length down, Rebecca took Nick's balls in her mouth, sucking them gently.

Then it was time to fuck him. I passed Rebecca a strap-on dildo, which I'd carefully selected from our local sex shop, and sucked her pert tits as she put it on, bringing her nipples to attention with my tongue. I put mine on and we both oiled up our artificial cocks, lingering on the hard shafts with our slippery fingers.

Rebecca pulled Nick's panties off and massaged oil around and into his bumhole, using her middle finger. "Now it's time for you to be fucked like a girl," she said as she pushed his knees up to his chest. He didn't complain – in fact, he didn't say a word! Rebecca inserted the tip of the strap-on into his hole, pushing her hips forward slowly as she did. When her false penis was shafting him, I moved myself into position and stuck my strap-on up Rebecca's dripping slit.

We were all moaning, so much so that it sounded like a filthy porno, aware that such perverse pleasure would make us climax like we'd never done before.

Rebecca wanked Nick off with one hand while she screwed his arse and I pumped away behind her, to the rhythm of her curvy, gyrating bum.

The sight of her cute pussy filled with my plastic dick made me ache to have something inside me as well. I ran my fingers down my body to finger my neglected fanny. I could not hold back any longer and pumped away at Rebecca's cunt faster, as the pace of my finger increased on my clit, making me shudder as I came. She responded by fucking and wanking Nick even harder, until they both came too, Nick shooting his load in an impressive arc, managing to splash Rebecca and getting me a bit in the process, before we all collapsed in a sweaty heap.

I couldn't believe how horny I still felt, even after such an intense climax. So I pulled Rebecca off Nick and started to kiss her passionately, my hands rubbing Nick's cum into her ample boobs. She unstrapped the dildo I was wearing and worked it into my tight pussy, telling me all the things that she would like to do to me. Nick squeezed my nipples and massaged my tits, loving the sight of me being screwed by this stunning beauty. With them both working me, I came all over again, wailing like a banshee all the while!

I'm pretty sure I'll be calling on my namesake many more times!
